School Budget Cuts

I have recently been contacted by the Ullapool Primary School Parent Council regarding the above.

They are of the belief that the budget cuts are causing problems in Ullapool Primary School and are having an adverse effect on the education of the children.

In particular, they are concerned that the school has no library service, no specialist Music or PE teachers and no swimming. In addition they are concerned that the school budget has not increased to reflect the rising cost of oil which, in effect, means that it is another cut.

I would, therefore, be grateful if you would look into these concerns and I look forward to hearing from you.

Best wishes.

Yours sincerely

PETER PEACOCK, MSP
